

Class Name: Free Motion Freedom

Instructor: Katie Rapp

Katie grew up in Sheridan, WY but now lives in Lakewood, CO with her husband and three kids. She started quilting while in college. She has continued to love the art of quilting so much that she now long arm quilts for others and also has a passion for teaching the art of quilting to others. She has just started to write a couple of her own patterns and looks forward to where that new adventure is going to take her.

Room Set-up: I am going to need enough table space and chairs for everyone in the class, nothing else special is needed.

 I will email/mail information to my students when they register. Please provide me with contact information for the students as soon as you can. Thanks so much.

Attach a class supply list (include any pre-cutting instructions)

- Basting pins
- Thread
- Needles for quilting
- Sewing machine with extension table (optional but recommended), pedal and power cords
- Straight stitch foot
- Free-motion or darning foot
- Quilting gloves (optional but recommended)
