

# Friendship Block

## Quilt Wyoming 2019

There are two (2) different shoes to choose from for our Friendship Block this year.

Both Patterns are easy enough to appliqué in any manner you choose.

Please center your shoe on a 12.5 inch unfinished block.

Please use white for your background fabric so we have some uniformity.

Feel free to use interfacing behind your appliqué if needed.

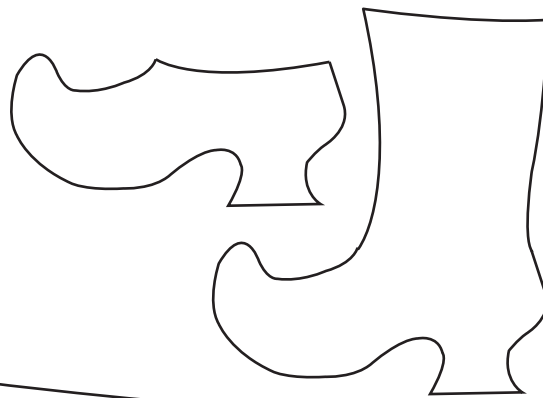

Other than those parameters, please feel free to use whatever fabrics and embellishments your imagination comes up with.

Please add your name and the year to the back of your block. Thank-you.

Hope you enjoy making these and good luck!!

**This pattern is available online at [wsqg.org](http://wsqg.org).**

If you have questions about the block please call Frances Tormey at 307-631-5085

### Boot Pattern

Turn in your Friendship Block(s) when you check-in at Quilt Wyoming 2019.

For each block you bring, you will receive one entry (ticket) in the drawing for Friendship Blocks, so the more blocks you bring the more chances you have to win blocks when we draw.

### Heel Pattern
