MATERIAL FEES AND SUPPLIES LISTS

Handouts: Teachers are expected to provide handouts as part of their teaching fee. Students will not be asked to bear the cost of these, unless the handout is very extensive. A request to include a handout in material fees may be made to the Quilt Wyoming chair(s).

Material Fees: Material fees should be kept to a reasonable amount. Do not ask the student to pay anything above the teacher's cost.

Supply Lists: Your supply lists should be reviewed carefully. Ask students to bring only what they will need in the class and try to keep their costs for attending your class as fair as possible.

SALES OF ITEMS IN QUILT WYOMING CLASSES

The sales of books or other materials should not interfere with teaching time. The volunteer teacher's angel is not expected to handle these transactions.
