

WSQG Mystery - The Third Set of Clues

Using the remaining $3\frac{1}{2}$ " squares of fabrics (A) and (B): Sew right sides together on one edge to form a two-patch rectangle (A+B). Press seam to (A). Make 48.

Using the $3\frac{1}{2}$ " squares of fabric (D) as center, sew two (A+B) rectangles on opposite sides with fabric (B) touching (D). Press to (B) Make 12 A+B+D+B+A. Set aside.

Form a stack of 24 of the four-patch butterfly blocks from Clue Two into a single pile with Fabric (C) in the upper right-hand corner. Stack the remaining 24 butterfly blocks to the right of them, leaving a small space. Rotate the right-hand side blocks until squares of fabric (C) are in the upper left corner. Into the center space, place stack of remaining (A+B) two-patch blocks with fabric (B) separating the squares of (C). Sew together. Make 24 rectangles.

Lay out the strips (A)+(B)+(D)+(B)+(A). Place on each long side of it the sections of butterfly blocks. Corners of fabric (C) should touch the corners of center square (D). Sew together. Press to center. Make 12 blocks.
