

# SUPPLY LIST

## ARABIC LATTICE

### JOHN FLYNN

Project size - wallhanging

Sewing machine in good repair, extra needles. Sewing supplies. Straight handled OLFA brand rotary cutter with 28mm wheel, mat and ruler. (you may also want a medium or large wheel rotary cutter for the strips).

Template fee            \$12 for 12" set  
                                 \$14 for 18" set

#### Option 1

Fabrics

½ yard each of two solid or "solid reading" fabrics for the center four patches

¼ yard pieces (or larger) of assorted light and dark fabrics for the "blades". Bring at least 8 pieces. Long quarters (not fat quarters) work best. (The instructor used plaids.)

For the optional alternate offset block setting, bring 1 ½ yard of a coordinating solid.

This makes a great scrap quilt with many setting options.

Note – bring ½ yard each of two contrasting fabrics if you just want to learn the technique in class.

#### Option 2

Purchase a pre-cut kit from the instructor. The price range is \$37-\$45 depending on size. Students can order online [www.flynnquilt.com](http://www.flynnquilt.com) and instructor will bring a supply.
