

## Circles & Squares

Such a fun technique for making a special quilt using Shannon Cuddle (Minky) fabric. You will learn techniques for working with this plush fabric to make things easier. You can mix flannel and minky for the next quilt you make using this pattern. Lots of tips and tricks will be discussed so you feel more confident working with Cuddle. A trunk show will be available of different designs and patterns using Cuddle.

Skill Level: Confident Beginner/Intermediate

Supply List: Pattern will be supplied in the class.

Fabric requirements:

3 yards of Cuddle 3 solid from Shannon Fabrics

3 yards of Cuddle print from Shannon Fabrics

Circle Template 8"

General sewing supplies including:

Machine in good working order

Walking Foot

Straight pins/wonder clips

Rotary cutter/small mat (minimum 12 x 18)

Polyester thread -- matching color for both colors of Minky

Finished size 50" x 50"

Student limit: maximum 12

Attached a photo of the pattern. I'm working on a sample that will be available before the brochure is in progress.

Pattern fee is \$9.00/ruler \$19.00

Kit options are available. (I'm deciding whether a kit purchase would be required for this class as I'm wanting to only work with the Shannon Cuddle fabric.)

Preclass instructions will be required. I'm working on how much should be done before the class.

If this class is selected, I'll provide more information concerning the above two items.
