

## Jump Into Free Motion Quilting

Workshop with Christina Cameli

### Supply list

- **Sewing machine:** be sure the machine is clean. Please remember your bobbin, foot pedal and power cord!
- **Extension table** for your sewing machine, if you have one.
- **Free motion foot** or darning foot to fit your machine, and **instructions** for your sewing machine if you have them.
- **Thread** (I recommend aurifil and superior threads, choose a color to contrast with your fat quarters)
- Fresh **needle** (I recommend Quilting 90/14)
- Quilting **gloves** (I use Fons and Porter quilting gloves, I will have some to sell)
- Curved **basting pins** if basting your quilt sandwiches in class. (No spray basting in the classroom please.)
- Small **scissors**
- Temporary **fabric marker**
- **Notebook** for sketching (lined or unlined whatever you have)
- **Pen** for sketching
- **Book:** I recommend having a copy of my book First Steps to Free-Motion Quilting. I will have some at class to sell.

Fabric requirements, use one of each to make each practice quilt sandwich

- 2 **fat quarters** (solids are best for visibility)
- 2 pieces of **batting** 20" x 24" each
- 2 pieces of **muslin** 20" x 24" each

### Optional

- Sometimes quilters need to sit up a little higher for comfortable free-motion quilting. Bring a firm pillow (or a folded up quilt!) to sit on if you would like this option.
- To save class time, you can baste your quilt sandwiches at home. If you want basting advice or don't have a chance to baste ahead of time it's no problem to baste the pieces in class!
