**This is the place where different crafts meet, greet and transcend into a project that is more than just the sum of its parts.**

We'll be taking quilting supplies (including wool), embroidery supplies, beading supplies and *super-secret* supplies and techniques borrowed from other crafts to create a one of a kind masterpiece. We'll be dyeing, painting, creating and embellishing to our heart's content.

Students will leave class well on their way to a small wall hanging that will be clever, unique, and most of all, fun!

Kit will include fabric, beads, some embroidery threads, other necessary items, and all of the *super-secret items*. Students are encouraged to bring threads, buttons, beads of their own choosing to help personalize their project.

#### Supply List:

Basic hand sewing supplies:

needles (embroidery and standard)

basting thread

pencil and paper for taking notes

scissors: for fabric, for paper, and small with sharp tips for cutting details

#### Additional supplies:

Any beads in your stash that you might like to use
