Fabrics:

3 ½ yards of black

This is a scrap quilt, so total yardage is not given for the other fabrics

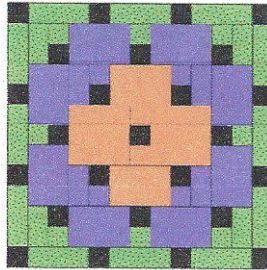

For each block you will need three fabrics plus the black.

Center – 2 ½" X 8 ½" (orange)

Middle – 3 ½" X 12 ½" (purple)

Outer – 5 ½" X 9 ½" (green)

Black – 3 ¾" X 10 ½"

Before class you will want to starch your fabrics so they are stiff. These are small pieces and that will help with getting better cuts and seams. The pieces are a little larger than you actually will need in case they shrink when you starch them. When I cut my scraps I cut a center, middle and outer piece from each scrap so that I could use the same fabric in different positions in different blocks.

Aunt Joe's Afghan – This striking pattern looks like a crocheted afghan. Small pieces are used to make these fun blocks, for a quilt that will have you doing a double take and checking to see if it is a quilt or an afghan!
