Cutting Instructions: Homework Before Class

You will have time to cut out your blocks in class, including your Dresden blades. *If you would like to have cutting instructions before class, please let me know in your email choice and I will be happy to give them to you.*

I am looking forward to our time together! If you have any questions about the class, I will be glad to answer them.

*I will NOT have Dresden rulers available for purchase. Please, check with your local quilt shop or Amazon for the Dresden tool of your choice.
