

Scrappy Bear Paw with a Twist (class #3)

Let's use up some leftovers!! Grab strips and squares and let's get to scrappin'. (Unless you are making it a planned scrappy). We'll supply the pattern that we created to make this block. You can make as many as you would like and we'll share some shortcuts and tricks to make these come out square. This can be lots of fun and everyone will be different.

Supply list:

- o Basic sewing supplies
- o Sewing machine in good working order with a ¼" foot.
- o Basic rotary cutting supplies including a small mat to be able to trim at your station.
- o Pattern will be supplied in the class.
- o Neutral thread for piecing
- o Yardage requirements will be sent in an email to the students, but will consist of leftover fabrics.
