. This mystery quilt is by Pat Speth of Nickle Quilts and the name is from one of the characters in a series of 29 "The Cat Who" books by Lilian Jackson Braun.

You can get 169 5" squares from a layer cake + 1 extra 10" coordinating square. Or just randomly cut 169 5" squares for a very scrappy look.

I would suggest that the lap size quilt is the one to work on for this mystery quilt class so a large part of it can be completed.

Confident beginner and up. **SOME PRE-CUTTING IS REQUIRED.**

Regular sewing supplies, machine (in good working order with all cords and pedals), 12½" x 12½" ruler, 6½' x 6½" ruler, 6' x 12" ruler, a marking pens/pencils, a *rotary cutting mat is very helpful.*
