

V. QUILT CAMPS

A. APPLICATION

1. Quilt Camps are intended to introduce people to the art of quilting. The Quilt Camp Leadership Packet may be downloaded from the website and should be reviewed before making a funding request.

2. A Quilt Camp funding request must be completed by the member requesting funding and submitted to the Director at Large. The requestor will be contacted by the Director at Large and may be required to provide additional information. When the Director at Large deems that the request is in compliance with rules set forth by the Board, the application will be forwarded to the Board for review and subject to a vote to accept or decline the request.

3. Quilt Camps are not WSQG events. Advertising shall indicate that WSQG has sponsored the event.

4. Quilt Wyoming membership brochures shall be made available to students.

B. FUNDING

1. The maximum funding from WSQG per student shall not exceed \$50.00. The maximum for the total event shall not exceed \$500.

2. Funds will be available on a first come, first served basis after January 1st annually, as long as funds are available for that year.

3. A list of students attending the camp will be presented to the WSQG Treasurer within 30 days after the camp. Photos and a synopsis of the event should be sent to the Director at Large to be shared with the Board, Patchwords and Website. When possible, these photos and the quilts should be made available for display at an upcoming Quilt Wyoming.

4. If documentation is not presented to show the number in attendance, funding will not be authorized. If attendance is less than stated in the initial request, only funds for the number of participants will be issued.

5. If the rules herein are not adhered to, WSQG reserves the right to cancel the obligation and allocate funds to another event should an application be presented and approved by the Board.
