A trunk show of some nature art quilts will set you in the mood for this enchanting, inspired class. We will start with a provided 20" hand dyed background piece of fabric, and with finesse you will be designing your own creation. Add provided pieces of nature, whether it be feathers, corn silk, pebbles, pinecones, bark, threads, grasses and leaves to make this quilt come alive. Also, you may bring your own items to add to your quilt. Top this off with a piece of tulle and a jute binding and you have your own original piece of art for your wall.
