Skill Level: All

If you have been fascinated by a Bargello quilt this class is for you. We will look at traditional bargello patterns used in vintage and historical tapestries and use the basic forms to develop a personal bargello design which can be translated into a quilt or stitchery pattern. This is a hands-on class and no experience is necessary.

Supply list:

Magnification glasses for close work (if you use them)

Sense of humor

You will need colored pencils

A good eraser and a ruler

A calculator will be helpful to assist translation of the pattern to a quilt size

Supply fee is \$10 and will include Graph paper of varying sizes
